Your child is Special... Shouldn't their health care be too?
Children's Medical Services
The Children's Medical Services Network, in collaboration with our contracted Integrated Care System, Ped-I-Care, is a health care plan which provides a variety of specialty health care services for eligible children with special health care needs. Our state-wide network includes doctors, hospitals, university medical centers, and other health care providers specially qualified to meet your child's unique health care needs.
• Primary Care
• Care Coordination
• Regional Genetics Program
• Behavioral Health Program
• Diabetes/Endocrine Program
• Medical Foster Care
• Pediatric HIV Program
• Craniofacial/Cleft Lip & Palate Program
• Brain & Spinal Cord Injury Program
• And much more...
How to Apply
If your child has a medical, behavioral, or developmental condition that you think may qualify him/her for this special health care program, you may call 407-858-5555 or apply by completing a Florida KidCare application online at: www.floridakidcare.org.
The Florida Department of Health's Children's Medical Services – Central Region
