Inspiring children to be well-rounded, *creative*, and kind human beings.

CEA provides a dynamic, intimate and nurturing environment that helps students grow into confident human beings with curious minds, healthy bodies, and strong civic, spiritual, and cultural values. Through its demanding academic program, Conservatory of the Arts, athletic division, and mastery program, students are challenged and inspired to grow as passionate thinkers and doers who make an impact on their communities. Each child is seen and respected as an individual, keeping the spirit of love and respect that is the trademark of CEA and The Espinosa Method™.
